Update from Unit 435 from President Jill

Hello everyone,

I know some (but not all) of you stayed for the whole Legion meeting. Thank you for participating and being part of the process. For everyone's benefit, I am providing the motion that was passed at the meeting last night. If you are interested in seeing a picture of the motion, let me know. It is a fairly large picture, so I don't want to send it out unless you want it.

The motion was made by Tom Steele – he is a long time Legionnaire and member of the Gun Club. Here is the motion:

I move that a transitional committee be formed by the Post Commander, to explore the option of selling or trading the post property or reopening the post temporarily with the intent to sell the Post property at a future date.

This motion was seconded by Richard Thomas. A vote of the Legionnaires was taken and the motion passed 54 yes and 19 no.

The motion did not state who had to be on the Committee. My understanding is Commander Adam is assembling the committee as follows: 3 Legionnaires, 2 Auxiliary members, 2 Sons of the American Legion, 2 American Legion Riders and 2 Gun Club members. Commander Adam has stated that he would like to appoint the committee as soon as possible.

If you are interested or know someone who is a member of the Post 435 Family who might be interested please let me and Commander Adam know as soon as possible. Commander Adam's email address is: atseamans@gmail.com. My initial thoughts are that many things will need to be examined by this committee and that backgrounds in different areas will be an asset to a successful outcome.

Thank you again for your continued support of the American Legion Family.

Jill Davis
American Legion Auxiliary Unit 435 President
